recipe sausages!

12 Real Ales on tap!

It's back!! Our ever popular Sausage and Real Ale Festival - 'Sizz-Ale 2012' - is running at The King's Head right across the Easter weekend.

Sausages served in baguettes or with Yorkshire puddings, mash and gravy or just on their own. There's something for everyone - From the classic 'Cumberland' to the spicy 'Sicilian' and every kind of taste between. There's a wide range of Gluten-free and Veggie options too.

Bring your friends and dig in to our 'Bangers by numbers' taste test, all washed down by a choice from a dozen of the finest local and nationally renowned cask ales.
